

April 1, 2013

Dear Friends,

We would like to deeply thank everyone who has submitted an abstract or has organized a session for the IGU Kyoto Regional Conference (KRC).

Over 1,600 papers/posters were accepted, and we have already sent each of you a notification letter of the reviewing result. If you have not yet received this notification, please let us know ([igu2013-jcs@convention.co.jp](mailto:igu2013-jcs@convention.co.jp)) as soon as possible.

Speakers at the KRC will need to pay the registration fee by April 30, 2013, 24:00 (JST, GMT+8:00) through this website. If they fail to pay the fee by this deadline, we will not be able to include their papers/posters in the conference program and the USB proceedings. Furthermore, we strongly recommend that they take advantage of the “early discount” by paying the fee before April 10, 2013, 24:00 (JST, GMT+8:00). Your colleagues who will not present at the KRC can still attend the conference by paying the registration fee. We also recommend that they use this “early discount.”

Moreover, please note that the IGU conferences itself basically have not required a full paper and not arranged to publish journals and books for accepted papers. However, some commissions may plan a publication selecting the accepted papers and posters. This depends on the commission chairs (CC) and the session chairs (SC). Please ask the CC and SC of your session.
