4th Indo-Japanese International Joint Symposium on Overcoming Intractable Infectious Diseases Prevalent in Asian Countries

In commemoration of the 60th Anniversary of the Establishment of India-Japan Diplomatic Relations

October 29th (Monday) & 30th (Tuesday), 2012

Morito Hall
Tokyo University of Science (TUS)
(Kagurazaka, Tokyo, Japan)

The purpose of this symposium is to develop the effective treatments to overcome various intractable infectious diseases, such as Tuberculosis, AIDS and Malaria. There are no effective clinical treatments for these intractable infectious diseases, although still a lot of people worldwide are suffering from these diseases.

➢ The symposium consists of invited lectures by scientists from India, Japan and other countries

➢ Registration
  • Registration fee is free.
  • Advanced Registration is necessary via the website.
    <http://www.rs.noda.tus.ac.jp/dds/e/symposium/index.html>

Deadline for Registration
October 5th, 2012.
Critical Discussion Points

include treatments of Tuberculosis, Aids, Malaria and other intractable infectious diseases from the clinical and basic points of view:

- Strategies
- Drug design and development
- Vaccination
- Drug Delivery System (DDS)
- Biological and biochemical aspects

Organizing Committee (© Chairs)

- Hiroshi Terada (Tokyo University of Science, Tokyo, Japan)
- H. L. Bhalla (SciTech Centre, Mumbai, India)
- Shri Anant Thakore (PERD Centre, Ahmedabad, India)
- Tsuneji Nagai (The Nagai Foundation Tokyo, Tokyo, Japan)
- Kimiko Makino (Tokyo University of Science, Tokyo, Japan)

Organized by

- Center for Drug Delivery Research, Faculty of Pharmaceutical Sciences, TUS
- Center for Physical Pharmaceutics, Research Institute for Science and Technology, TUS
- The Nagai Foundation Tokyo
- Pharmaceutical Education & Research Develop Centre (PERD Centre)
- SciTech Centre

Supported by

- Embassy of India in Japan
- Controlled Release Society, Indian Chapter

Advisory Board

- Hajime Toguchi (Otsuka Pharmaceutical Co., Tokushima, Japan)
- Yoshiaki Kawashima (Aichi Gakuin University, Nagoya, Japan)
- Mitsuru Hashida (Kyoto University, Kyoto, Japan)
- Ajit Singh (SciTech Centre, Mumbai, India)
- Harish Padh (PERD Centre, Ahmedabad, India)
