

## AWARD

(1) Best paper award

11<sup>th</sup> International conference on microwave and high frequency heating  
(Association for Microwave Power in Europe for Research and Education:  
AMPERE)

S. Horikoshi, Oradea, Rumania, September, 5 (2007).

(2) 1<sup>th</sup> Young Fellows Award (under age 35)

S. Horikoshi, Japan Oil Chemists' Society conference in Tokyo (2003).

(3) 1<sup>th</sup> Editor Award

Japan Oil Chemists' Society

S. Horikoshi, J. Zhao and H. Hidaka, Photodegradation of surfactants. XIX:  
Photooxidation mechanism for nonionic dodecanoyl amide surfactants at TiO<sub>2</sub>/H<sub>2</sub>O  
interfaces, *J. Jpn. Oil Chem. Soc.*, **48**, pp. 767-775 (1999).

(4) 56<sup>th</sup> Colloid and Surface Conference, The Chemical Society of Japan  
Poster prize (Tokushima University)

○S. Horikoshi, Nick Serpone and H. Hidaka, September 9, (2003).

(5) 50<sup>th</sup> Colloid and Surface Conference, The Chemical Society of Japan  
Poster prize (Saga University)

○S. Horikoshi, H. Kakuta, M. Mieda and H. Hidaka, October 10, (1997).

(6) 49<sup>th</sup> Colloid and Surface Conference, The Chemical Society of Japan  
Poster prize (Tokyo Metropolitan University)

○S. Horikoshi, M. Ohta and H. Hidaka, October 14, (1996).

(7) 48<sup>th</sup> Colloid and Surface Conference, The Chemical Society of Japan  
Poster prize (Hokkaido University)

○S. Horikoshi, Y. Hisamatsu, K. Tuge, R. Furuya and H. Hidaka, October 14,  
(1995).
